

SABRE 8221

Simple yet highly durable structural firefighting gloves made from premium full-grain cowhide leather. The newly redesigned thumb construction in the palm area enhances glove flexibility and improves dexterity during operations. The modified index finger design, with the palm material extended over the finger and onto the back of the glove, reinforces one of the most heavily stressed areas, increasing its mechanical durability and contributing to a longer service life of the glove.

Color:	 Beige
Sabre Easy	8221-03
Sabre Long	8221-04
Sabre Short	8221-05

UPPER MATERIAL:

- **Palm and back:** Thermostable full-grain cowhide leather with minimal shrinkage and high abrasion resistance, thickness 0.9–1.1 mm.

REINFORCEMENTS:

- Thumb and knuckle area reinforcement.

INTERMEDIATE LAYERS:

1. Insulation layer – aramid non-woven fabric.
2. Membrane – Porelle® DXT PU membrane.

LINING:

- Aramid lining.

ADDITIONAL TECHNOLOGICAL AND FUNCTIONAL FEATURES:

- The new thumb construction provides greater freedom of movement during both crawling and routine firefighting operations.
- Reinforced index finger.
- Reflective element.
- Carabiner for attaching the gloves to turnout gear.
- High durability, comfort, and dexterity.

STANDARDS:

EN 659:2003+A1:2008

CUFFS:

Sabre Easy

Sabre Long

Sabre Short

SABRE 8221

Measurement:	Results before washing:
Abrasion resistance	4
Blade cut resistance (palm part)	3 / TDM Level C
Tear resistance	4
Puncture resistance	4
Burning behaviour	4
Convection heat resistance	4
Radiant heat resistance	P
Contact heat resistance	P
Dexterity	5

size		5 (XXS)	6 (XS)	7 (S)	8 (M)	9 (L)	10 (XL)	11 (2XL)	12 (3XL)	13 (4XL)

CARE & MAINTENANCE:

Choose a more ecological short washing program at 40 °C.

PROCEDURE: Remove coarse dirt after each use. Before washing, fasten the Velcro fasteners and remove the snaps. Use a liquid detergent. Wash on a short programme.

TO MAKE THE GLOVE FIT BETTER: Shape the glove several times after washing and during drying. Do not dry in direct sunlight or heat sources, do not use a tumble dryer. Store the gloves in a dry environment.

RECOMMENDED USE:
