

TAYA 8219

A leather glove developed with a strong emphasis on tactile sensitivity and exceptional wearing comfort. Its innovative 5D cut, combined with durable full-grain cowhide leather in the palm, provides high mechanical resistance, extended service life, and a natural fit that follows the shape of the hand.

CARE & MAINTENANCE:

Choose a more ecological short washing program at 40 °C.

PROCEDURE: Remove coarse dirt after each use. Before washing, fasten the Velcro fasteners and remove the snaps. Use a liquid detergent. Wash on a short programme.

TO MAKE THE GLOVE FIT BETTER: Shape the glove several times after washing and during drying. Do not dry in direct sunlight or heat sources, do not use a tumble dryer. Store the gloves in a dry environment.
